

## REVIEW QUESTIONS

### The Nature of Humanness

Lesson 14

12/20/20

Take some time to think through the things we talked about in our last lesson and review your notes. Then briefly answer the review questions below.

1. In the context of a discussion of the nature of humanness, what is physicalism?
2. In the same context, what is dualism?
3. Why is the question of whether physicalism or dualism is true important to the Christian?
4. What does the Law of the Indiscernibility of Identicals say?
5. List some things that are true about the mind that are not true of the brain (physical substances).
6. What is wrong with the argument of physicalists that dualism fails because it cannot explain how the immaterial mind controls the physical brain?
7. How is physicalism self-refuting?
8. What is a common contemporary view of humanity in relationship to the rest of the animal kingdom?
9. How does the bible view humanity in relationship to the rest of creation?
10. What are some ways that humans are radically different from all other living things?
11. What was the most helpful thing you learned in this lesson, or was perhaps particularly new or interesting to you?
